## **Owner Information**

First and Last Name of Owner(s)

Mailing Address (street, city, state, zip code) Phone Number

Email

Can we share contact information with the media, if this property receives an award?

## **Project Nomination Narrative**

### History and Significance

Please provide a brief history of the building, structure and/or neighborhood context, and its importance to the community. Include a general architectural description of the property and the neighborhood or surroundings, the architectural style, original use and other uses, any association with historically significant people or events, and any historic designations (i.e., National Register of Historic Places, conservation or preservation zoning) and the date of designations, if known.

### Project Work

Describe the type of project, specifying restoration, rehabilitation, adaptive reuse, or other. Describe the purpose and scope of the project, including preservation/design philosophy, impetus for the project, the use(s) of the structure, the people it serves, portions of the property affected and unaffected by this project (i.e., interior, exterior), treatment of historic fabric (i.e., painting/treatment of masonry), the manner in which compliance with the Secretary of the Interior's Standards was ensured, and any other pertinent information.

### Condition and Challenges

Describe the condition of the structure prior to beginning the project. Describe any problems/unusual challenges encountered, such as funding or financing, technical issues, development pressures, politics, code issues, etc., and how they were resolved, making note of innovative approaches when applicable.

### Final Result

Describe the final result and the overall long-term impact of the project, how it advances historic preservation, and how it provides specific benefits to the public. Highlight the ways in which the project is a model for others, illustrating the benefits and possibilities of preservation for similar projects.

### **Individuals, Organizations, Businesses, LucyBeth and Industry Experts**

If you are not the nominee/business owner, has the nominee/owner been notified of this nomination?

Business or Organization Name (if applicable)

First and Last Name of Nominee(s)

Mailing Address (street, city, state, zip code) Phone Number

Email

Can we share contact information with the media, if this is awarded?

Founding year of business/organization or year preservation efforts began for individual nominee.

Is the business/organization still in operation? Or for an individual nominee, are they currently pursuing preservation efforts?

### History and Significance

For individuals (including Lucybeth) and organizations, describe the specific actions they have taken to protect, restore, or advocate for historic preservation. Discuss how their work has enhanced the preservation community in Utah, whether through professional expertise, volunteer efforts, grassroots activism, or collaboration with others. Emphasize the ways in which they have exemplified historic preservation and/or stewardship.

For businesses and nonprofits over 30 years old, describe their longstanding presence in the community and their impact on the history and culture of their town or neighborhood. Provide examples of how they have actively contributed to historic preservation or have been integral to maintaining the character of a community. Demonstrate their role as active members of the community and how they have used their business or organizational platform to benefit historic preservation and/or stewardship.

For industry experts describe how these professionals have significantly advanced the preservation field through their expertise and innovative practices. Describe what specific skills they bring to the field of preservation in Utah.

### Project Work

Describe the specific projects or initiatives undertaken by the nominee in the field of historic preservation. For individuals and organizations, highlight preservation efforts such as restoration, advocacy campaigns, or adaptive reuse projects. Provide details about the scope and purpose of these efforts, as well as the preservation philosophy guiding their work. For Lucybeth describe how such work merits lifetime achievement recognition.

For businesses or nonprofits, describe the ways they have preserved or revitalized historically significant sites or contributed to the ongoing cultural legacy of a community. Focus on how these actions align with long-term stewardship and community engagement.

For industry experts, describe specific projects in which their skills were necessary and fully utilized for a successful outcome. Describe how the nominee sets the standard for excellence in preserving our shared heritage.

### Condition and Challenges

Discuss the key challenges faced by the nominee in their preservation efforts. For individuals organizations, describe any technical issues, development pressures, political barriers, or funding difficulties encountered in their work/projects. Detail the strategies used to overcome these challenges, focusing on innovative approaches or collaborative solutions where applicable.

For businesses and nonprofits, reflect on the broader challenges of maintaining a legacy organization or business while contributing to the community. Address any obstacles faced in remaining an active and integral part of the community while also supporting historic preservation efforts.

For industry experts describe any technical issues, condition challenges, financial barriers (of the client), or time constrains encountered in their work/projects. Detail the strategies used to overcome these challenges, focusing on innovative approaches or collaborative solutions where applicable.

### Final Result

Describe the long-term impact of the nominee's work. For individuals, organizations and industry experts, focus on how their preservation efforts have advanced historic preservation in Utah, how the community has benefited from these efforts, and how their work serves as a model for others. Provide specific examples of how the work has improved public understanding and appreciation of historic preservation.

For businesses and nonprofits, describe how their sustained presence in the community has contributed to a sense of place and has benefited the community they serve. Highlight any lasting positive impacts on the community, and how the nominee's work continues to inspire.
