2022 COMMUNITY STEWARDSHIP AWARDS

Our annual Awards program celebrates the people who make preservation happen: dedicated homeowners, insightful architects, creative developers, and visionary leaders.

Preservation Utah began honoring individuals and groups with Stewardship Awards, and one individual with the Lucybeth Rampton Lifetime Achievement Award, over thirty years ago.

Each award recipient represents a model that others can look to for meeting the challenges of preservation. As a group, the recipients represent the many and varied ways preservation is accomplished in our communities. They include exciting adaptive reuse projects, the tireless efforts of dedicated homeowners, threatened buildings that have been saved from destruction, and the lifetime efforts of a committed preservationist. Through this awards program, Preservation Utah congratulates our award recipients and thanks them for their contribution to preserving Utah's architectural heritage.

In addition to celebrating the best in Utah preservation, the Community Stewardship Awards is our annual fundraiser event. As the sole statewide nonprofit dedicated to historic preservation, we rely on the generosity of members and sponsors to help fund our work year round to educate, advocate, and protect Utah's built past.
