2022 PRESERVATION UTAH COMMUNITY STEWARDSHIP AWARDS
AN EVENING OF STORYTELLING AND ACTIVISM.

ABOUT US

Established in 1966, Utah Heritage Foundation — now Preservation Utah — was the first statewide historic preservation organization in the western United States. Preservation Utah’s mission is to keep the past alive, not only for preservation, but to inspire and provoke a more creative present and sustainable future. We preserve, promote and protect Utah’s historic built environment through public awareness, advocacy and active preservation.

2022 COMMUNITY STEWARDSHIP AWARDS

Our annual Awards program celebrates the people who make preservation happen: dedicated homeowners, insightful architects, creative developers, and visionary leaders.

Preservation Utah began honoring individuals and groups with Stewardship Awards, and one individual with the Lucybeth Rampton Lifetime Achievement Award, over thirty years ago.

Each award recipient represents a model that others can look to for meeting the challenges of preservation. As a group, the recipients represent the many and varied ways preservation is accomplished in our communities. They include exciting adaptive reuse projects, the tireless efforts of dedicated homeowners, threatened buildings that have been saved from destruction, and the lifetime efforts of a committed preservationist. Through this awards program, Preservation Utah congratulates our award recipients and thanks them for their contribution to preserving Utah’s architectural heritage.
